

Gainesville.com's Pet Page POWERED BY GADZOO.COM

Here's where you'll find everything to do with pets. And we do mean everything.

Gainesville.com's new Pets Page is a pet-owner's dream come true. Not only is it a great place to learn more about caring for little furry loved ones, but there's a plethora of stories, tips and even videos on all things animal. Or if a viewer is not yet a pet owner but can't wait to become one, the Pet Classifieds will help locate the just the right loyal companion.

The Pets Calendar is the spot to find all kinds of upcoming animal events, or read the ever-popular "Watchdog" Blog, where Digger the Dog sniffs out all the latest pet trends and information. Then there's also the "For Pet's Sake" section which gives advice from the experts on all kinds of pet care issues. There's even a Pet Memorial section where visitors to the site can create or view tributes to departed love ones.

This great new addition to Gainesville.com is the spot to reach pet lovers in our community.
