

GAINESVILLE MAGAZINE's HEALTH SERVICES ISSUE

DIRECTLY REACH PEOPLE IN NEED OF YOUR SERVICES.

Gainesville Magazine's October/November 2009 health-themed issue is the perfect advertising opportunity for businesses and health care professionals dealing in all aspects of medicine, health and fitness. Health food stores, personal trainers, and dance/exercise studios will find Gainesville Magazine the best place to spotlight their businesses. This issue will feature articles and reviews on a variety of health related topics. Placing your wellness-themed business advertorial among articles about Gainesville's best and healthiest citizens and business-people will certainly direct attention to your products and services. Gainesville Magazine readers will eagerly peruse the tips and new ideas on how to maximize their health, and now is your chance to directly reach this eager market!

For this issue we are offering a unique advertising opportunity: any health and wellness-oriented business will receive special rates for full page advertorials describing their services. This is the perfect opportunity to market your products and services to Gainesville's health-conscious residents. Whether you are a physician, counselor, spa, or fitness center, this is the perfect publication to attract the **Best of the University City** so call your account executive. **Space is limited, so take advantage of this great deal today and get your business noticed!**
