

Advertise Your Business in the Gainesville.com Online Local Business Directory

Did you know that your local business in Gainesville is listed in Gainesville.com's Local Business Directory? With nearly **5.1 million page views** on Gainesville.com per month, this directory is clearly in Gainesville's line of sight! You can also get a Search Directory Premium Package with a Yellow Pages™-like listing that includes your name, address and phone number, as well as an email address, URL and your fax number. Your premium package allows up to 20 custom fields, (such as your hours of operation, accepted payment methods), up to 15 images of your business, and you can have a coupon and/or a video on your Profile Page! There are numerous search techniques for your customers to find you, including Keyword Selection (based on groupings). Call your account executive today, to learn how to grow your business with our Local Business Directory.

**Just
\$59** per month*

* based on 12-month annual agreement
